Subject: [EXTERNAL] Leon Black follow up

[REDACTED]

In case you have not heard it has been discovered that Leon Black paid 62.5 million to USVI - and this does not include payments of money to individual women - it's outrageous that criminal charges have not been brought against him.

I've heard one lawyer represents ten women that he sexually assaulted.

I hope that your office is going to take a hard look based on this new information.
